Fundraising	<p>Chick-Fil-A night: Ordered 350 sandwiches sold all but 75 and used those to feed the football boys post game. Crowd was smaller than we hoped, but overall it was a good money maker and was easy. Look at a future wrestling meet.</p> <p>Painting Night – November 12 at Blacksmith.</p> <p>Color Me In Eagle - \$75 for banner. Look to host during winter sports nights. Find a way to do the overlay vs buying 2 banners. Board approved moving forward with one banner.</p> <p>Basketball Tournament – Jan. 4. All district gyms are reserved. Need a plan for concessions – can we get student volunteers? Need to charge admission but be prepared to have workers all day at each location/entrance.</p> <p>Homecoming Dinner – Instead of doing walking tacos, the board opted to look at food truck options. Working with Honey Creek Catering to come out to the game.</p>	Amanda to coordinate.
Punch cards	Card you can pre-purchase admission to games. This would just be more of a service we offer vs a fundraiser to help families who don't carry cash.	Angie to follow up with Schooler
Sponsor Requests	STUCO Donkey basketball. Board agreed to sponsor at \$50 level.
