TOPIC	NOTES	FOLLOW-UP
Treasurer Report	<p>Currently have \$8,894 in account. However still have a couple outstanding checks for last year's late night shirts, and the summer weights breakfast.</p> <p>Also, will have large invoice coming for fall shirts that have been ordered.</p>	
Approval on minutes	Minutes from the August 15 th meeting were approved as written.	Angie to add minutes and members to the website.
Payment Options	<p>Look to switch from Squared to Wix. The costs are very close in transaction fees, but would need to purchase a new reader for \$59.</p> <p>The benefits of switching would be that Wix is tied to our website and could track inventory as purchases are made in real time and we can do gift cards on plastic "credit card" style cards and move away from paper ones. This will also track balances in real time on the cards. The gift cards can be done for any amount requested.</p> <p>The system can also connect to ipads via Bluetooth which would be much more user friendly at the booth and would not require anyone to leave their phone at the table to use the square.</p> <p>Board to review information on this and make a vote at the next meeting.</p>
